# Holiday Party 2014

by the Editor with pictures provided by Jure Vucemilovic

The holiday party was a grand success! We had around 55 in attendance, which is in my 15 year memory with the club the largest gathering I am aware of. The selection of food covered just about everything from aspergus (grilled) to yogart – with a 18 pound ham and turkey to add to all of it. The ham went home a lot skinner – as a bone to be specific. The membership was treated to a long series of give aways that culumated with the presentation of the annual GLUE Awards for 2014. The five top finishers (in no patricular order), David M. Allen (\$25 Gift Card), Phillip Fettig (\$20 Door Prize that he donated it to our almost adult member Garrett Campbell), Mel Borofsky (\$50 Gift Card), Robert Fisher (Linns Subscription) & Newton Kulp (APS Membership). The sixth finisher, who was a close call, was Randall Priest who was given a \$20 Door Prize.

We would like to thank everyone who helped to make this event a grand event for one and all. For those that missed all the fun – we hope to see you at the 2015 Holiday Party!
