

# Spring 2017 -- Picnic

The Editor

Well it was a good time! The weather was warm to say the very least. Thankfully the rain held off until the last minutes as I was walking to the car at 4:30 after checking to make sure we left no mess for the park staff to deal with. The crowd of 31 seemed to enjoy the food that started to come off the grill at 2:20. Besides the burgers and hot dogs there were veggie burgers and chicken patties along with some very nice grilled corn. Thank you to everyone who brought the wide selection of side-dishes to compliment the BBQ. Bonnie Streeter (and husband Norman) should be acknowledged for providing support and coordination for making this event happen. Roy Anderson – again thank you for handling the reservation of the pavilion. Congratulations to those that won with a “special plate” -- and to the winning team of Stan & Jean Brodersen, Jean & John Latter and the Editor who crushed the competition on the 25 question quiz that Bonnie proctored.
