

# The Cover Story

## April in Pictures by The Editor

The month of April was a full month for the membership of the Central Florida Stamp Club. The first landmark was achieved on April 5<sup>th</sup> with 57 folks in attendance at the first meeting of the month. A door prize in the amount of \$55 was awarded to Mimi Tompkins [Figure A1, on front cover]. This was the largest attendance of any meeting in my 18 years with the club [Figure A2 on front cover]. The next goal is 60.

The second notable event was the one day show on April 7<sup>th</sup>. The Oak Room at the Marks Street Senior Center was filled nicely with 8 booth holders and a good size crowd of 85 attending [Figure A3 on front cover]. These little one-day shows are a great way to be a collector and shop without other time constraints often found at large shows. The weather was perfect – and all in all the show ran smoothly. One could not ask for more!

The 5<sup>th</sup> Annual Spring Picnic kicked off at 2pm on Saturday April 14<sup>th</sup>. The weather was perfect for a spring day in Central Florida. Thanks to assistance by Gene Perry and Ron Gordon the two grills were fired up and ready to produce the hamburgers and hotdogs. The corn roasted on the grill turned out wonderfully. Twenty-nine folks showed up at one time or another to enjoy the food and conversation. Thank you is extended to Roy Anderson who arranged the facility for our use. Everyone provided a wonderful selection of side dishes to compliment the food coming off the grill. If you missed the picnic, we hope to see you in 2019! All of the following pictures are from the picnic.
