Dear Members,

This is our first letter of 1986 and is being sent to remind you of many important Central Florida Stamp Club, Inc., items, past, present and future.

1986 Dues are now due and payable. Dues are \$10.00 for regular members, \$5.00 for Junior Members. You can mail the dues to the undersigned at our Club address, or pay to Treasurer at the next Club Meeting.

Our Annual Business Meeting was held on Thursday, 16 January 1986. This being an even numbered year, and in accordance with our ByLaws, election for Directors and Officers of the Club was held with the following results:

President:	Mr. William J. Bomar	425-6018
Vice President:	Mr. A. Stephen Patrick	862-6170
Secretary:	Mr. Wade H. Beery	425-6018
Treasurer:	Mr. John D. Shirley	788-6067
Director:	Mr. Herman C. Cohen	841-9273
Director:	Mr. Manny Delgado	574-7535
Director:	Mr. Sidney R. Weinberg	629-6820

Our next meeting, Thursday, 20 February 1986, is the ANNUAL CLUB DONATION AUCTION. We hope to be set up by about 7:10 P.M. and will accept all the lots we can manage at the auction. Remember, it costs money to pay the rent which will fall due at the end of March and to reproduce and mail newsletters!

There is a slight change for our meeting to be held on Thursday, 3 April 1986. Instead of being in the ALPHA ROOM, the meeting will be held in the BETA ROOM - to accommodate the Orlando SCIENCE CENTER in their registration for summer classes, etc. This change is for that one night only, 3 April 1986.

Looking also at our schedule a long way in advance, the Regular Meeting Night of Thursday, 1 January 1987, is a National Holiday, and by our ByLaws all regularly scheduled meetings that fall on holidays are cancelled without further notice. However, as an alternative, it has been suggested that we schedule our first meeting of 1987 on 8 January 1987 and our second meeting on its regularly scheduled night of 15 January 1987. I have looked into the availability of the ALPHA room on the 2nd Thursday of January 1987 and it is not available on that night; however, the BETA ROOM (directly across the hall from the ALPHA Room) is available. Let us know your pleasure on this so that we can make time reservation of space. The 1986 Meeting Schedule is enclosed.

In view of the fact that the Annual FLOREX (Fall Meeting of the Florida Federation of Stamp Clubs, Inc.) will be held in Orlando at the EXPO CENTER on Friday, Saturday and Sunday, October 31, November 1 and 2, 1986, the Central Florida Stamp Club, Inc., WILL NOT hold its annual show (SUNPEX) the first weekend of December 1986. That is crowding just too many shows into our schedule. So you can start your planning for the SUNPEX to be held in the Spring of 1987 (which in reality gets it back onto the spring schedule that we had when the SUNPEX was first started here in the Orlando area). It is not too early to start planning your exhibits. ALSO, we will need ALL the volunteers we can obtain from Central Florida Stamp Club, Inc. to assist with the FLOREX. More details later.
