February Meetings Recap

The first meeting of the month began with 12 for dinner and a nice crowd of 42 signed in for the meeting. Newton Kulp handled the presentation on his trip to the APS sponsored UN bourse. The after glow session was well attended (and will be repeated) with Newt instructing on how to make custom album pages using MS Word. The auction sold 25 lots for a total of \$256.80.

The second meeting night started with 10 for dinner and another nice turn out of our membership for the meeting, with 42 signed in. The presentation by A. Stephen Patrick and Stephen Strobel was interesting and informative about an area of the philatelic world that we rarely encounter; Citrus Tax Stamps. The auction sold 16 lots for \$160.50.

Dinner Plans

Come join the group for dinner at Viet Garden at 5:00pm before each meeting. Located on the NW corner of Shine Ave & 50 at 1237 E. Colonial Dr. There is plenty of parking on the north side, behind the restaurant. Bring your appetite – and your wallet. The record attendance for dinner is 17 — if we can break that number someone will get a free dinner. If you need directions or more information call Francis at 407.493.0956.

Writers?

Thank you to all the folks that have contributed material to this monthly publication. Without your constant support this newsletter would lack vitality. Your efforts are much appreciated! That said — my bit-bucket needs help. I am still begging. Please contact the Editor.

Missing in 2018, Part II

The following 6 folks have not paid their dues for 2018 and have been removed from our active roster. We are sorry to see you go! **Armanda Coles, Michael Day, Steve Main, Leonard McClure, Darlene Price and Jure Vucemilovic.**

February One Day Show

Nicely done folks! The show on February 7th went very well with a solid number of 90 attending the show. Every one of the dealers were happy and have expressed their satisfaction with signed contracts for the April 10th show. Mother nature cooperated with a pleasantly warm day in the low 80s. So not winter like!

President's Message by Francis Ferguson Awards!

The club is made of a membership of givers. Those that have toiled to put together a presentation for a meeting or a article for this newsletter — know the challenges that can be encountered when trying to make a topic that makes sense to you — relatable to others — who do not share your passion. It is often times difficult to do! Thankfully, the CFSC membership comes through and produces — sometimes after a little begging, pleading and even knee bending. Some years ago, the BoD decided to implement a recognition process to acknowledge those that do. I am proud to announce the winners for the calendar year 2017 — articles and presentations. In addition, Phil Fettig was presented with the 2017 CFSC Service Award for his dedication to the objectives & mission of the CFSC.

Serendipity — XXXIX by The Editor

Hearing Things....again!

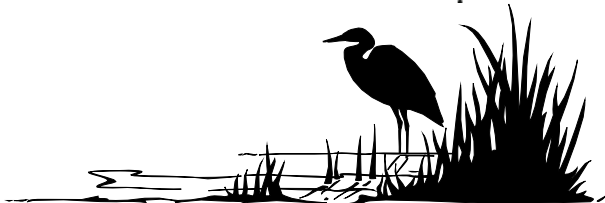

At the recent show in Deland, I heard voices. More like whispers, but my attention was grabbed. Pairs of imperforate issues have always been intriguing to me. Sadly they are often well outside my budget range simply because of age and rarity. This pair of #9 on the left of the image, has had a rough life, but it is also 166 years old! The pair on the right was noted as interesting simply because of the blue cancel. It really is a bit of a mess of a blue cork cancel, but overall the well centered stamps look stunning with the cancel. Both items will find space in my album, as pieces of interest. The money expended on these two pieces was not extreme and I will always gaze on them with a little twinkle in my eye. You never know what you run across at a show — no matter the location or number of dealers present — something just might pop out at you!
