1 June 1985

Dear Members,

This is our first letter of 1985 and is being sent to you to remind you of several important stamp club items.

It is noted that many members have not paid their 1985 dues of \$9.00 as of this date. If you have not paid, the block beneath the date at the top of this letter has been marked with a red "X", and an addressed envelope is enclosed for your convenience in mailing your dues to us now.

The program for Thursday, 6 June 1985, is a regular auction, in which members are limited to entering three (3) lots each until a maximum of 60 lots has been received. As many of you have not attended a meeting this year, or picked up your copy of the Annual Program, the program listing for the remainder of 1985 is included on the reverse side.

We STILL have 38 stamp exhibit frames that need sponsors - \$11.00 each. A brass plate will be attached to each of the frames you sponsor reading:  
"FRAME DONATED BY (name)".

We would like to point out that according to our Club ByLaws we do not hold a regular meeting on any date which is a National Holiday. This year the 4th of July falls on the first Thursday in July, therefore, the meeting for that date is cancelled!

Congratulations to President Bill Bomar who won a GOLD for his exhibit of World's Fair covers at the recently concluded STAMPOREE at West Palm Beach Gardens on the 17th, 18th and 19th of May.

The Central Florida Stamp Dealers will hold their Quarterly Bourse on Saturday and Sunday, June 22nd and 23rd, 1985, at the Lee Road Sheraton Hotel. Hours: Saturday, 10 A.M. to 6 P.M.; Sunday, 10 A.M. to 4 P.M.

Information has been received that the annual FLOREX has been moved up one week at St. Petersburg due to some goings-on that will be taking place there on the regularly scheduled weekend. However, the hotel in which the show was to have been held has gone into bankruptcy AGAIN. We understand, however, that the newly renovated hotel, The Tradewinds, 5500 Gulf Boulevard, St. Petersburg Beach, has been contracted for the show. Full details have not been received, but believe the dates are October 25th through the 27th, 1985.

We have been informed that the SUNPEX 1985 show will be held at the Orlando EXPO-CENTER, 500 West Livingston Street, Orlando, Florida 32801, on Saturday and Sunday, December 7 and 8, 1985. The Club will sponsor the annual Club Exhibition at this SUNPEX, and we plan to have 112 frames available for the membership for their exhibits. Please start planning your exhibit at this time - so it will be ready for the show. Further information will be published as it becomes firmed up, etc.
