Meets First and Third Thursdays

25 October 1991

Dear Members, Friends, and Fellow Stamp Collectors:

The Central Florida Stamp Club announces their move to the Winter Park Public Library. The first meeting at the new site will be 7 November 1991. We encourage all to tell their friends and make plans to attend.

The club plans to continue providing interesting presentations and activities. However, since we will not be under the tight time constraints of the past, there will be more time for stamp talk, stamp buying, and stamp trading. In the past several months there has been a noted increase in buying and trading at the meetings. Those who have been bringing stamps and covers for trade or sale have voiced interest in increasing these activities and shall be bringing even more items for your trading of buying pleasure.

We are pleased to announce that the annual dues have not increased. You may be a paid-in-full member for only \$10. For new applicants and members alike, pay your dues now and receive membership paid through 31 December 1992. Since the meeting space is slightly more per meeting, donations to the club auctions or cash donations will be gratefully accepted.

For those of you who have a little time during FLOREX, we still have some time slots available for helping out at the hospitality table. Call John Shirley, 788-6067, if you can help. Your assistance is needed with the set-up on Thursday and break-down on Sunday night. We'll need your help Thursday between noon and about 6 PM, or any portion there of.

This year's Holiday Party will be held at the home of John Shirley on 19 December 1991, at 7 PM. John is a gracious host and puts on a magnificent spread. As always it will be a grand affair. Bring a salad, dessert, or covered dish, and a big appetite. Help with the clean-up will be greatly appreciated.
