BoD meeting for 2017; 03.30, 06.29 & 08.31.

September Meeting Recaps

The first meeting of the month, started off rather soggy thanks to the tropical weather — 17 folks showed up for dinner! Even though the weather was less than ideal 41 members signed in for the meeting. The cried auction called by A. Stephen Patrick and assistance provided by David, David, Robert, Jim and Newt moved along nicely to sell 28 of 39 lots for a total of \$873.50!

The second meeting started with 14 for dinner, including a couple of seldom seen folks. Food and conversation is always a good thing. The meeting had 45 signed in — the room looked very full! Ann Dowrick won the birthday door prize drawing. The combined presentation team of Patrick and Johnston did a great job of educating everyone on automobile advertising. The auction sold a total of 26 lots for \$263.

Dinner Plans

Come join the group for dinner at Viet Garden at 5:00pm before each meeting. Located on the NW corner of Shine Ave & 50 at 1237 E. Colonial Dr. There is plenty of parking on the north side, behind the restaurant. Bring your appetite – and your wallet. If you need directions or more information call Francis at 407.493.0956.

New Members X 1

Welcome to Jean Schneider from Orlando who now will know where John Latter is on those Thursday nights he not home. Welcome dear lady!

Challenge — 1 out of 2!

The first part of the challenge was achieved as Josh Furman was number 16 and Jim Cooney completed the attendance at 17. In acknowledgment of the achievement a simple contest was run — and Jim Archbold won a free dinner, compliments of an unnamed source. Food, conversation and fellowship are all good things.

The second part of the challenge did not fare as well as only 41 signed in for the meeting. I will issue another challenge for the SECOND meeting of November to try again for a magic number of 50. Once again the club will award a \$50 door prize instead of the customary \$10 amount — if 50 are signed in.

Holiday Party 2016

The annual Holiday Party will be held on December 15th — we look for another large crowd of hungry folks. Stephen Patrick and his wife Linda will coordinate the event with assistance from Forest Smith and Robert Fisher. The potluck dinner is planned to open between 6:30 and 6:45pm.

The Times Are A Changing

The pressure to complete the silent auction within our allocated time for use of the room is driving us to adhere the to the following schedule. Presentation 7:00 -7:40, Final auction bidding 7:40-7:50. Auction processing and general chat time 7:50-8:30. All presenters are asked to stick to the allocation as close as possible to make this all work.

Quoted

“Star Trek was an attempt to say that humanity will reach maturity and wisdom on the day that it begins not just to tolerate, but take a special delight in differences in ideas and differences in life forms.”

Gene Roddenberry, Visionary [1921 — 1991]

President's Message by Francis Ferguson

As the month of September is growing long in the tooth, the daylight hours grow shorter and most of us look forward to the somewhat cooler days of fall in Central Florida — whatever that may be! The philatelic “season” has begun and will continue with a show or bourse almost every weekend until June of next year. While I have always looked forward to the energy and vibrancy of the philatelic season — it also means with FLOREX just around the corner, time compression is foremost in my thoughts. Mostly there is too much to do and barely enough time to accomplish all that is expected. When you are reading this on October 6th I will be headed north to visit an aged relative and to have a repose of 11 nights in a cabin in the woods, 45 miles northeast of Asheville. At an elevation of 3,800 feet on the Blue Ridge Parkway, the days tend to be cool(ish) and the nights just outright cold for this Florida person. I tell you all this, because I will miss both meetings in October, something that frankly is a little odd for me to comprehend. Vacation time does call, and I shall answer!

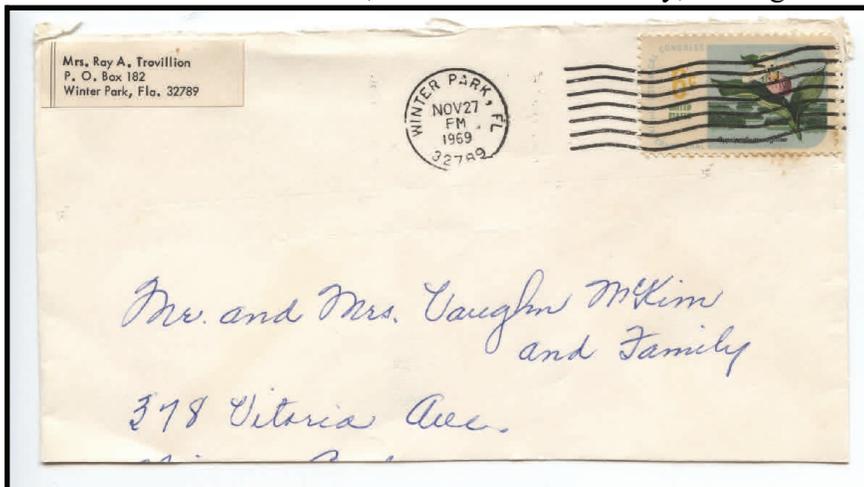

Does anyone want a little GLUE? Well we will see on the night of December 15th when the club will have the annual Holiday Pot Luck Event, which will include chuckles, belly laughs and of course a lot of good food — all without calories of course! As in previous years the club will have the main course of two hams and turkey to pick from. With the wide variety of side dishes it is always a gastronomic feast to enjoy. So what does GLUE have to do with this? The club acknowledges those individuals who selfless give of themselves for the betterment of the whole. The GLUE awards recognize 5 individuals with prizes and thanks. How does one accumulate GLUE points? Through acts of support, staffing the greeting table, helping with the auction, writing for the newsletter, and providing support for the annual Spring Picnic are some of the ways. I truly enjoy being the host for this event and will find out the names of the high scoring individuals when you do. Plan on being present at the Holiday dinner and have some fun and fellowship!

Serendipity — Part XXIII by The Editor

This odd little cover was unearthed at the recent show held September 10-11 compliments of A & B Stamps. I showed this cover to about a dozen folks and everyone turned the cover over to find the rest of the address. What you see on the front is all there is. The sender/receiver are both from Winter Park. Obviously the postman knew the addressee and delivered it despite the lack of a complete address. I would expect this kind of service for 1969 — I am not at all confident that the year 2016 would find this cover deliverable. More than likely it would be returned to the sender as undeliverable.

Doing a brief world wide web search shows that Ray Allen Trovillion was born 05.14.1892 and passed away 12.12.1984 and was interned at Palm Cemetery in Winter Park. The sender I will assume was Ray Allen's wife Pearl Proctor Trovillion, born in Marion County, and a graduate of Florida State College for Women (now

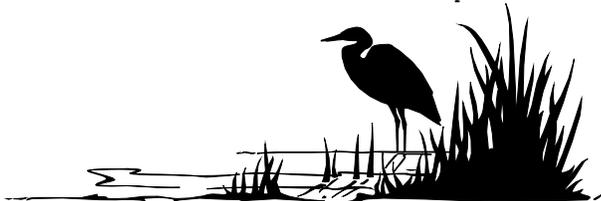

Florida State University) who was 93 at the time of her passing in 1993. Ray Allen and Pearl married in 1922. Pearl was well known for her love of local history and did a lot to preserve records for future generations. She was also the mother of former Winter Park Mayor Allen Trovillion (born 1926). Allen served as the Mayor from 1962 to 1967 and then went on to the Florida House of Representatives.

The family name of Trovillion has a long history in Central Florida.
