*Parenthetical definitions apply when there are 2 Vice Presidents. The two VP positions were formally established in the bylaws as VP Programs and VP Operations with 9 (rather than 7) total directors at the start of 2012 term.

** From interpretation of sign-in log book. Sign in order was by order of office, verified by data from 1950, 1951, & 1954 where positions were known by other sources.
